### **About the Cover**

One very cold February morning, while having my first cup of coffee as I marveled over the unbelievable view of the frozen-over channel before me, I received a phone call from the Coast Guard saying that they had received a couple of calls from fishermen in Bremen requesting their assistance in breaking up the ice. Not everyone in Town had their boats out for the winter, and there were several frozen in. Lieutenant David Bourbeau wanted to let me know that he would try to come when they finished up in Friendship. He also added that the 65-foot cutter named Tackle needed at least 12 feet of water, and the ice breaking would need to be done during an ebbing tide so the ice would flow outward.

I immediately called Gary Worthley, manager of the Bremen Co-op; Blair Pyne, owner of BCMS; and Craig Prior, owner of Medomak Shellfish, Inc. to let them know that the Coast Guard would be on the way. The Tackle was successful in breaking up enough ice to free 5 boats at the Co-op and then felt it was best to be on their way out of Town due to the window of time that they had, tightness of the area, and concerns of water depths. I then received a call back from Blair Pyne saying that he was actually glad that they did not make it to his place, as he would rather let the ice melt and go out naturally as opposed to breaking it up; the large pieces of ice could cause more damage. All three of the businesses listed above, as well as my own, Maine Fresh Lobster, Inc., sustained damage from the ice, some more significant than others.

## Selectmen's Report

Bremen has had another very good year. Lots of snow and cold, and everyone in Town pulled together to support one another through a very long winter.

The office continues to run very efficiently under the leadership of Kelly Clancy. Julie Cruz and Martha Varsano have been excellent Deputy Clerks, with Penny Card helping out with efficiency and grace. With a new office layout, it feels even more welcoming when you come in the door.

The Town Office has seen notable improvements this year. A new space has been created in the back of the main meeting room to accommodate the Historical Society, the old divided back room has been modified to create another meeting space, the office has been redesigned, and work continues to be done on changing to one bathroom. Jack Clancy has somehow been doing all of this work, proving himself indispensable. We're not sure how he keeps smiling!

We're now assured that the Town House will remain standing for many years; it even has outside lights that reflect its historical presence. Be sure to visit it during one of its many annual events. The Bremen Town House Committee organizes several events and acts as host for other Town activities.

The Hillside Cemetery north side retaining wall has been rebuilt this year. This included excavation and drainage for over 120 feet of stone. The Hillside Cemetery is one of the oldest cemeteries in Bremen and the resting place of many Bremen families.

The Hay property is also coming along nicely. There is a road in construction that will allow residents to access the water, with a small parking lot, and a great view. The Bremen Conservation Commission is working with the Selectmen in developing a property that we can all enjoy.

Under the guidance of Hank Nevins, our roads continue to improve, and we are now in a position where we can hold steady and work within a reasonable annual budget. In hard times the roads suffered, and they are now in much better overall shape. Please let the Town know if you notice something that we may have missed and that needs attention.

We had something like eight feet of snow last winter, and Jody Sprague and his crew continued to work night and day to keep ahead of the seemingly endless snowstorms.

Our finances continue to be in excellent shape, and we are hoping that we can hold the property taxes down again this year. Our only volatile and unpredictable expense is the education costs. Because the education costs run on a July – June calendar, we are considering changing our budget to reflect the same. This will be put to a Town vote in the future.

Unfortunately, two treasured folks are retiring. Martha Varsano, who has worked in the Town Office for close to 20 years, has decided to retire. She has been an amazingly friendly and helpful face in the Office, and she will be sorely missed. Martha will be helping us out on an occasional basis.

We also want to take a moment to thank Hank Nevins for his many contributions, since he will not be running for Selectman in 2016. He has been a great deal of the energy and commitment that has brought the Town to the fine condition it is in today. Whether it is acquiring the Hay property, managing the finances, tending to the roads, or telling really bad jokes, we really don't know what we will do without him.

Please stop by the Town Office and let them know how much you appreciate them, and the years they have dedicated to our Town.

In closing, we want to remind you that this Town is only as good as those of you who are willing to take the time to volunteer and help out. Everyone is incredible in a crisis; we need you to participate on a regular basis. We are desperately short at the Fire Department and the First Responders, and the other Town committees as well. Not every spot on the ballot has someone running for it. We need you.

Sincerely,  
WENDY PIEH  
HANK NEVINS  
JOHN MARSH

## Maine Emergency Medical Services Award

Maine Emergency Medical Services honored our very own Dr. Peter Goth's decades of pioneering work with a prestigious Governor's Award at a ceremony at the State House Hall of Flags on May 18, 2015. The 2015 Governor's Award recognized Peter for "exceptional contribution to the EMS system of the state, with contributions in multiple areas of EMS."

In his acceptance of the award, Peter stated, "When I started back in the early 70s, not only was emergency medicine not a specialty, but EMS wasn't around. The way you got to the hospital in an emergency was in a hearse. Look at where we are today, with incredible professional and competent performance in our emergency responders."

Not the least of Peter's contributions has been his work establishing clinical guidelines for application in emergency medicine and EMS where previously none existed. His experience with and development of guidelines for management of cardiopulmonary arrest, joint dislocations, wound management, and spine injuries in emergency and rescue situations has been cutting edge, and has been adopted by many other state EMS programs.

Of course, we all know Peter as the friendly face that helps out with the fire department, is willing to listen and advise us on our medical issues, and spends his free time working on the farm. Stop by and say hello.

## Assessors Report 2015

James Murphy, Jr., Assessors Representative  
Murphy Appraisal Services, Inc.

2015 was a transition year for the assessing in Bremen. Almost every property (900+/-) had a close review of the valuation as part of the General Revaluation. In the end, there were 5 abatements. That is a ridiculously low number for a revaluation. This was a result of preparation, execution, communication, another site-specific review, and lots of weekends in Bremen.

Not everyone is happy; it would be impossible to accomplish that feat. But, that is not a requirement to have success in assessing with 600 plus properties, over 1500 photographs and hours upon hours of trying to get this project perfect. Assessing is the same as attempting to organize butterflies in a field of flowers on a windy day.

I am expecting to have the Town Certified Ratio at 100% for 2016. We will see what the State audit concludes. This will increase the Homestead and Veterans Exemptions. The Homestead Exemption increases for 2016 from \$10,000 to \$15,000. For 2017, the Homestead Exemption will be \$20,000.

For 2016, in theory, this would reduce the taxes for each Homestead qualified owner by \$60+/-, if budgets were not going to increase. But, wait for it, here is the rest of the story. The increase in the Homestead exemption reduces the taxable value of the town by \$1,350,000 dollars. Why is that important?

The tax rate calculation is the amount of budget dollars to be raised divided by the Town's taxable value.

If the budget dollars to be raised do not change and taxable value decreases, the tax rate increases.

But Jim, you ask, what about the new construction value, does that not reduce the tax rate? Glad you asked. So to cover the decrease in the taxable value from the increase in the Homestead Exemption amount, the new construction needs to increase by \$1,350,000 for 2016 just to break even and have a flat tax rate.

I am required to track the new value increases each year for the LD 1 calculation. Since 2009, the Town has never had a gross value increase of over \$1,100,000 in new construction. Gross increase, not net increase.

Decreases in value come from a variety of reasons including correction of details, removal of buildings or parts of buildings, surveys with better acreages and other reasons.

So the taxable value is starting \$1,350,000 in the hole, which means if the budgets do not increase the tax rate is going up. And, as the sale tax increases for snacks and such, taxpayers are going to pay more in taxes. So much for the State government 'reducing' your property taxes.

Tax relief in the form of the Maine Homestead Exemption is available to all qualified property owners. If you have received an exemption in Bremen in previous years, you do not need to reapply. You are eligible for this program if you have owned a residence in Maine for the last 12 months as of April 1st of the year of the commitment, are a resident of the Town, and if your Bremen home is your declared place of residence.

Also available are the Veterans Exemption, Blind Exemption and other programs that can assist at the Town and State level. Please call me at if you have a question. I am usually scheduled for the Bremen Town Office every other Wednesday.

#### ASSESSMENT STATISTICS FOR FISCAL YEAR 2015

Total Taxable Valuation	\$173,222,900
Homestead Exemption Valuation	\$2,569,600
Commitment Date	July 23, 2015
Last day to appeal valuation	January 24, 2016
Tax (Mill) Rate	\$12.10 per \$1,000 of taxable value
Tax amount to be raised	\$2,103,536.60
Last Year	\$1,772,861.66

#### MUNICIPAL REVENUES

John Howe/Lisa Bond	05/16/2015

### DEATHS

<u>Name, Age</u>	<u>Place of Death</u>	<u>Date of Death</u>
Mildred C. Walsh, 87	Lewiston	1/2/2015
Emelia E. McGregor, 91	Damariscotta	6/4/2015
Janet E. Peck, 91	Camden	9/29/2015

## Bremen Volunteer Fire Department

It was another busy year with close to a hundred separate calls to our small department. These calls included:

Medical Calls.....	63
Service Calls.....	13
Mutual Aid Calls.....	4
Downed Lines.....	2
Accidents .....	11
Chimney Fires .....	1
Search and Rescue.....	1
Woods Fire.....	1

We had another successful year working with our First Responders. We are also proud to announce that we had 4 new members go through the Basic Firefighter Class. Even though we picked up a few new members, we are always looking for more volunteers to continue to make this a successful department.

We just completed the Emergency Vehicle Operations Course (EVOC) which was a two-day course with driver evaluations at the end. I am proud to announce that all who attended passed this course. In addition to our normal training, we also worked on hydrant and extrication training this year.

911 house location signs are free and can be ordered through the Town Office. These signs make locating your home in an emergency much easier.

We participated in the Fire Prevention Week at Great Salt Bay Community School along with two other local departments. With donated funds, we were able to give out over 100 fire prevention packets to children.

With the help of donated funds from the Town and the Fire Department and with the assistance of our volunteers, we were able to have another successful year sponsoring the annual Children's Holiday Party. This year we had close to 70 kids attend with their parents.

Our annual dinner/auction with the Patriotic Club was another huge success this year. The Turkey Dinner and our annual fund-raising letter raised even more money to help purchase and replace some equipment.

All in all, this has been a very busy year for the Bremen Fire Department. I would like to thank everyone who helped out, volunteered and/or donated

time and money. All of these efforts help to continue to make this the great little department it is.

Again, we are always looking for new volunteers to join any of our community groups. If you are interested in volunteering with the Fire Department, please stop by any Wednesday night at 7 p.m. or inquire at the Town Office for details on who to contact. Remember, you do not have to fight fires to volunteer; we appreciate all community service.

Respectfully submitted,  
FERNALD POLAND  
Bremen Fire Chief

P.S. LADIES CAN BE FIREMEN, TOO!

## **Bremen Rescue/ First Responders**

IF YOU SEE A CAR OR PICKUP WITH A FLASHING RED LIGHT OR THE 4-WAY FLASHERS ON IN BREMEN, we'd appreciate it if you could let them by. It's probably one of the First Responders or Bremen Firemen responding to a call. And be on the lookout for more vehicles with lights flashing, such as an ambulance and fire trucks. We've noticed a number of people in Bremen already recognize us and kindly let us by – thank you SO much! For our good friends and neighbors who come to enjoy summer, the wonderful seasons and holidays here in Maine, we'd like to explain what we do. Many areas and some states do not have first groups like ours. We are trained to respond to medical emergencies and are licensed by the State of Maine. We are paged for such calls and respond directly to the scene, in street clothes, to start medical assessment and treatment, and carry a number of pieces of equipment for that purpose. Members of the Bremen Fire Department accompany us to carry equipment, handle communications, help move patients, etc. Bremen is served by Central Lincoln County Ambulance Service, a nonprofit based in Damariscotta that provides transport to Miles ER and additional care, often at the paramedic level. Unfortunately, there is currently no one from Bremen on CLCAS, so they may not be as familiar with locations as we and the Fire Department members are; the Fire Department has blue number signs you can request to have erected to help everyone find you.

This year we responded to over 70 calls, including cardiac emergencies, fainting, patients with falls and pain, and motor vehicle accidents, amongst others. If a patient has a “soft” fall but just can't get up, we are happy to respond to help – we really like happy endings! We are here to help the citizens of Bremen, visitors, and anyone passing through.

We want to thank the people of Bremen for their support and equipping us so well. It makes what we do so much easier. But, most importantly, we must thank the members of the Bremen Fire Department for their help. Without them to direct CLCAS, move vehicles, handle radio communications, carry equipment, help to move patients, and so on, this system would not work half so well. We are very, very grateful for their support.

Respectfully submitted,  
LINDA NEVINS, Secretary  
Bremen Rescue/First Responders

## Code Officer's Report

The Town saw an increase in building permits this year. I issued 3 building permits for new homes and 14 permits for plumbing and septic systems.

It is now the landowner's responsibility to make sure that any contractor who works in the Shoreland Zone and disturbs more than one cubic yard of material is certified to work in that Zone. The Shoreland Zone lies within 250 feet from any saltwater or freshwater shore. The list of contractors include: landscapers, earth contractors, timber harvesters, and builders.

The Contractor's certification number will have to be on all permits after January 1, 2016. The State has held classes for the past five years in an attempt to certify as many contractors as possible.

The Town has started to enforce the junkyard/automobile graveyard statute. Any particular property is only allowed two unregistered or non-roadworthy vehicles at any time. If you have any questions or concerns, please stop by the Town Office or call my cell phone.

Respectfully submitted,  
STAN WALTZ,  
Code Officer  
Plumbing Inspector  
Shoreland Zone Officer  
(207) 380-9873

## **Bremen K-12 Education Report**

Kimberly Schaff, Principal, Great Salt Bay Community School

Steven Bailey, Superintendent of Schools, AOS 93

### **Great Salt Bay Community School:**

The 2014/15 school year ended with 438 students. The 2015/16 school year began with 436 students. Staff changes included the hiring of Molly Campbell and Veronica Babcock as special education resource room teachers, and Peter Vigue was hired as the teacher for the behavioral support program (ACES) – the position Mrs. Babcock had previously held. A technology integration Educational Technician III position was added by the GSB CSD Board to increase the effective utilization of the school's technology resources and to assist teachers with the integration of technology within their curriculum design. Kassandra Lincoln, who has her teacher certification, was hired for this position. The Board also added a 20% agricultural Educational Technician III position to assume responsibility for the implementation, direction, and supervision of the entire garden/greenhouse project. Margaret Coleman was hired for this position. She brings to this position a vast amount of experience in agricultural programming and education, which includes operating the Chewonki Foundation's Farm.

Of significant note was the selection of Jennifer Gregg as the 2015 Lincoln County Teacher of the Year, and her subsequent recognition as one of four finalists for the Maine Teacher of the Year. Great Salt Bay Community School was awarded the Support Music Merit Award by the National Association of Music Merchants for the school's ongoing support of music education.

Changes were made to the ACES program in order to better support our students. It is now designed to focus on providing special education programming for students with emotional/behavioral challenges who require greater support for their behaviors than can be provided in a regular education classroom without support or in the resource room. Our primary goals of the ACES program will be: (1) to increase appropriate classroom behaviors and (2) to teach students to take responsibility for and to manage their own behaviors with the ultimate goal being that he/she qualify to exit the ACES program.

Three educational goals were set as priorities for 2015-16. The first goal

is to maintain throughout the year a school-wide student attendance rate of 95%. For a student to achieve a 95% attendance rate for the school year, he or she would need to miss no more than 8 school days. The second goal is to increase our percentage of students achieving proficiency in reading and mathematics to 80% as measured by state, district, and local assessments.

The third goal is to continue the transition to proficiency-based education with a focus on assessment practices.

There have been several opportunities for Community Engagement. The following initiatives have begun or will continue:

- Continued its annual tradition of GSB Cares-A-Ton, which raised more than a ton of food for the ecumenical food pantry.

- Collaborated with the Chewonki, DRA, and Hidden Valley Nature Center to provide our students with environmental educational experiences.

- Collaborated with the Lincoln County Board of Realtors to host a Red Cross Blood Drive. In their health/guidance classes our students will be participating in the Pint-Size Hero and Future Blood Donor programs, which will teach our students about blood donation, blood components, and how blood is used as medicine. Our goal is to recruit 45 donors.

- Collaborated with the Seacoast Orchestra. The orchestra utilizes the school's facilities for its weekly rehearsals. Twice a year the Seacoast Orchestra and the GSB bands perform a combined piece which provides our students the opportunity to perform with adult musicians.

- In collaboration with Kieve GSB will be hosting a Kieve Educators in Residence (EIR), Maggie McKeon, from January through March. The goal of the program is to "support teachers and students in reinforcing the messages, learning style and relationships cultivated during residential Leadership School programs." Some of the ways Maggie will be supporting teachers and students include teaching Spanish to first and second graders, leading team building activities, hosting lunch groups, providing Algebra enrichment, assisting with the Art program, and bringing groups to Kieve.

Several efforts are underway to improve and make more efficient facilities and transportation services. These include:

- Consolidating the eight bus routes into seven routes in the fall after the resignation of a driver.

- Eliminating the contracted mowing service; Purchased a tractor and hired a part-time grounds position with the goal of saving on the cost of grounds and fields maintenance; and

- Through the concerted efforts of Mark Hagar, Head Custodian, and the staff the school's energy costs were significantly cut, with a particular

focus on reducing heating fuel and lighting costs.

We look forward to continuing the Great Salt Bay commitment to excellence!

**Bremen, Grades 9-12:**

Bremen has 32 students in grades 9-12, with 25 that attend Lincoln Academy. 3 students attend other private schools and 4 students are enrolled in other various high school opportunities. These students continue to achieve to high levels. There are 5 students graduating and 4 students entering grade nine. Central Office Administrators of the AOS meet with the Head of School of Lincoln Academy and his Assistants a couple times per year in order to align curriculum and refine plans to prepare our grade eight students for a successful transition and experience at the Academy.

Thank you for your continued support for our kindergarten - grade 12 learners. It is greatly appreciated.

Sincerely,  
STEVEN W. BAILEY  
Superintendent of Schools

# Lincoln Academy

## Winter 2016 School Report for Sending Towns

Lincoln Academy is an independent secondary school chartered in 1801 to serve the midcoast area. It offers a comprehensive program, including courses at all levels in the areas of English, Mathematics, Science, Social Studies, World Languages, Fine and Performing Arts, Technology Education, Physical Education, and Health. Regional Vocational, Alternative Education, and Special Education programs are available. On a ten-year cycle Lincoln Academy is accredited by the New England Association of Schools and Colleges (NEASC), and was most recently reaccredited in 2015.

In 2015 three new facilities opened on the Lincoln Academy Campus. The Cable-Burns Applied Technology and Engineering Center (ATEC) now offers 10,000 square feet of classroom space for engineering, science, art, and technology courses. The new dormitory houses 57 of the 84 residential students currently attending Lincoln Academy. The William A. Clark Athletic Field is an artificial turf field where the soccer, field hockey, and lacrosse teams now play.

### Governance

Lincoln Academy is governed by an independent Board of Trustees. Officers include: Ann McFarland '73, President; Christine Wajer '85, Vice-President; Dennis Prior '91, Secretary; Sarah Maurer, Treasurer. Members include: Faustine Reny '01, Robert Baldwin '62, Stephen Dixon, Lisa Masters '83, Jon McKane, Karen Moran, William Morgner, Rob Nelson, Tim Alley '77, Pam Gormley, Marcus Hutchins, and Hugh Riddleberger. David Sturdevant is Head of School.

### The Student Body

Lincoln Academy has a current enrollment of 587 students in the 2015-16 school year. The majority of students come from 16 local towns. 84 residential students come from 16 countries around the world. After 4 consecutive years of growth, the Residential population has met available housing capacity and for the foreseeable future will remain between 80 and 90 students.

### Graduates

Of the 109 graduates in the Class of 2015, 80 enrolled in post-secondary education; 70 enrolled in 4-year colleges/universities, 10 enrolled in programs shorter than 4-year (2-year and certificate programs), 24 are employed/seeking employment, and 5 enlisted in military service.

**Curriculum**

Lincoln Academy remains committed to its comprehensive curriculum as we strive to meet the needs of all our students. We have added new courses this year, including engineering, metal sculpture, AP Chemistry, and BC Calculus. The new courses take advantage of the space and tools in the ATEC building, as well as serve our increasingly diverse population of both day and residential students.

**Finances**

Unlike most independent schools, The Board does not set day tuition. Because most students' tuition is paid by their sending towns, the tuition is established by the State Department of Education using a formula based on average per pupil expenditures of Maine public high schools during the previous two years. The tuition for the 2015-16 school year was increased by 3.9% from the prior year to \$10,131.00 per pupil. The Insured Value (IV) factor is an amount in addition to tuition intended to fund capital maintenance and debt service. The legislated IV factor amount of 10% was reduced in 2009 to 5% and remained at 5% through last year. The legislature voted to partially restore the IV by voting to increase the amount to 6% of the calculated tuition figure for 2014-15. The 6% rate was carried over into 2015-16 and is \$607.86 per pupil for this year. While towns are allowed to continue to pay the full 10% and some of our area towns have done that in the past, this year all towns have elected to pay at the 6% rate.

**Supporting Lincoln**

While the sending towns do pay tuition for each student, that amount is calculated each year by the state. The tuition allowance is simply not enough to provide the quality educational experience that Lincoln Academy promises each and every student. LA depends on support from the Lincoln Fund (the Annual Fund) to fund the deficit, but the gap is widening between the cost of operating the school and incoming tuition revenues. Private contributions have allowed Lincoln to support both programs and capital improvements. Money raised through the Lincoln Fund supports students and faculty, and is vital to the life of the school. Since 1997, over \$1.4M has been contributed to general operations, over \$650K for specific programs, and about \$10M for capital projects. Contributions to annual and capital campaigns provide for the perpetuation of and improvements to LA's programs and physical plant without increasing local taxes.

## Adult and Community Education

CLC Adult and Community Education again provided services to over 800 adults in 2015. We offered the HiSET high school completion program, assisted adults in preparing for college, worked with literacy students, provided medical certificate programs and served up a wide variety of enrichment classes for young and old.

We provide basic literacy services along with high school completion classes free of charge in our Learning Center program on Tuesday and Thursday evenings and Monday and Tuesday mornings. Free College Transitions courses are offered through The Lincoln County College Connection (TLC<sup>3</sup>) – a cooperative program with 3 other Lincoln County Adult Education programs. Dozens of adults from Lincoln County participated in classes that will help them prepare for college through that program.

In 2014-15 we had 6 students complete a high school credential and another 25 worked towards a high school diploma or on basic language and math skills. Anyone 17 or older who is out of school and wants to earn a high school credential or who needs to improve their reading, writing or English language skills should contact us to get started.

We continue to work with Lincoln County Healthcare to provide vocational training in several medical programs. In 2014-15 we conducted 3 Certified Nursing Assistant courses with 21 students completing the program and receiving certification and employment. We were also able to offer 7 CPR, CRMA and PSS classes with 33 people receiving certification.

Hundreds of students continue to enjoy the more than 120 low-cost, high impact courses offered in Community Education. This fall we combined our brochure with the RSU40 Adult Ed brochure to further expand our classroom choices and to provide a single point of information for classes throughout Lincoln County.

Thank you to each of our supporting towns for the funding that provides these important services. Information about all our programs and services can be found on our web site: <http://clc.maineadulted.org> or by calling us at 563-2811.

Respectfully submitted,  
ELLEN DICKENS  
Director

## Planning Board

This was a busy year for the Planning Board. Nineteen applications came before the Board, mostly under provisions of the Shoreland Zoning Ordinance. Thirteen permits were issued for projects such as buildings, accessory buildings, docks, and a road. The Board denied one application for expansion of a lakeside cottage. Several applications were tabled because applicants decided not to pursue a permit. The Board conducted advertised, on-site reviews for all but one of the applications. The number of 2015 applications was more than twice the number of 2014 applications.

The definitions of terms in the Town's ordinances vary, at times, from one ordinance to another. These differences can cause confusion and may impact permitted and/or non-permitted activities. The Board reviewed all the definitions in every ordinance and developed a set of universal definitions applicable to all of Bremen's ordinances. In September, the Board temporarily completed its work on the ordinances and sent a draft of the proposed universal definitions to the Board of Selectmen and the Town Attorney for comment.

The Board drafted, approved, and forwarded to the Selectmen a reminder that a permit must be secured prior to construction in the Shoreland Zone. The reminder was inserted in the tax bills.

During the year, the Board strove to produce comprehensive minutes. This work was greatly assisted by the Board's patient recording secretary. The intent is to keep the public well informed and to provide an inclusive record for future use and reference. The Board agreed that should a Board member(s) dissent from a Board decision, the dissenting member(s) must publicly state an ordinance-based reason(s) for the dissent.

The Board took several initiatives to stay abreast of the latest planning board-related developments at the state and local levels. Several Board members participated in a seminar, sponsored by the Maine Municipal Association, for planning board members across the state. Additionally, a Board member attended Maine's Voluntary Contractor DEP Erosion Control Certification Program sponsored by the Knox-Lincoln Soil and Water Conservation District.

To provide as much clarity as possible, the Board begins each meeting by noting the obligations of the Board's members, the applicant, and the general public. This introduction stresses that Board members are volunteers

trying their best to administer, under oath, the Town's ordinances; that the burden is on applicants to exercise due diligence regarding their applications; and that the public will be given the opportunity to speak. Each application is introduced by noting the features of the application, any correspondence relating to it, and applicable provisions of the ordinances.

In an effort to keep the Board of Selectmen aware of our activities, a member of the Planning Board now attends most meetings of the Selectmen. The Chair of the Selectmen has graciously reciprocated by attending and participating in our sessions.

After being shorthanded for some time, the Board now has its full complement of seven members. All of our members bring prior planning board and/or town government experience and/or good decision-making skills, combined with an abiding interest in the Town.

We look forward to another productive year in 2016.

Respectfully submitted,  
BREMEN PLANNING BOARD

## Harbor Committee

Since becoming Harbormaster in 2007, this has been the busiest year ever! First, in February the Coast Guard cutter, “Tackle,” came to Town and broke out 5 boats from the Bremen Co-op.

I had three calls concerning missing boats; two of them were found.

Unbeknownst to me, the 90-foot vessel Columbia was towed into Town causing a lot of discord.

Five mooring permits were submitted, 4 approved and 1 denied. A 100% collection rate for moorings was achieved.

The Harbor Committee will be taking a closer look in the next few months at the existing Town Harbor Ordinance for some necessary updates. The last ordinance was adopted November 6, 2007. Any input or suggestions will be considered and appreciated.

I want to thank Bruce Poland and Robin Lailer for serving on the Harbor Committee this year with me, as well as Walter and Robert Kaler who continue to take up the floats each fall and put them back in the spring. A special thanks goes out to Kelly Clancy for helping me out this year in so many ways. She is a great asset to this Town!

*The Diane A., a 34-ft. wooden boat, was built by Ken and Lawrence Prior on the Storer Road in Bremen over 50 years ago. She was launched in 1966 and was used by the Prior family for many years scalloping, shrimping, lobstering and seining.*

## Bremen Conservation Commission

The BCC is continuing to enhance recreational opportunities on town owned properties as well as looking for ways to conserve and safeguard land for our future generations.

We are committed to working with the Selectmen and other town boards to help preserve wildlife habitat, scenic views, and protect fragile properties so that existing and potential public lands may be handled with a careful and sensitive approach to design and development, for the benefit of all Bremen residents. We are currently working with the Selectmen on enhancements for the Hay Property. The Hilton-O'Connor walking trail is now open to everyone. The trail is located behind the Bremen Town House.

In 2015, we organized and held a Community Forum allowing town residents to give input on the planning and use of the Hay Property. We hosted a clean-up day for the town walking trail behind the Bremen Town House, as well as a visit to the newly acquired PWA property on Pemaquid Lake.

In an effort to work more closely with the Selectmen, we invited Wendy Pieh to attend our monthly meetings. We hope to continue to be involved with the Selectmen in this coming year. The BCC is planning to make a visit to Clam Island in 2016 to investigate ways and means to make this island a usable asset for the community.

The Bremen Land Conservation Fund (LCRF) was created for the purpose of acquiring land, easements, rights-of-way, and maintaining open space. The LCRF is a town fund and any spending from the account is voted for by the town. The BCC works to bring forth possible acquisitions and helps to manage the stewardship of them. **It can only grow with the continued support of the town.** Please help grow this fund by voting to approve BCC requests for the town to raise and appropriate additional sums for the fund. If you are interested in supporting our effort, you may send donations to the Conservation Account, Town of Bremen, PO Box 171, Bremen, ME 04551. All donations are tax deductible.

The BCC welcomes associate members to volunteer to address issues, ideas and suggestions such as rural character, wildlife habitat, outdoor recreation, and water quality and resources. If you have a specific issue or thoughts and ideas you would like to address with the BCC, please email us at: [thecoastallandscape@gmail.com](mailto:thecoastallandscape@gmail.com).

The Bremen Conservation Committee is looking forward to 2016 and already brainstorming ideas that will enhance our quality of life in Bremen. We welcome all fresh ideas and input from residents. Thank you for making land conservation a priority in Bremen.

## Alewife Report

From an interview with an elver fisherman, I understand that the first 2015 alewife running into Muscongus Brook began during some nighttime moon tides in mid-May. I found some running again 2 weeks later during the next moon tides. I received reports and found some (few) through most of June. Their numbers were not impressive this year. And, since 2009, I again provided MEDMR with scale samples.

To explain why so few were to be found, I went back to our records of what happened in 2011. This was the year when most of the 2015 alewives were born. Although in 2011 we had a fish ladder at the south Rt. 32 crossing (what was then a culvert), it was not always operational when alewife were running. This was due to high water volume rushing through the culvert and thereby limited natural spawning that year. To compound this problem, MEDMR was only able to stock the pond with ~ 400 fish that spring. I am very roughly guessing the run in 2015 consisted of a mere 2-3,000 fish.

The good news is that the 2015 alewife run found Muscongus Brook completely accessible for spawning for the first time in over 60 years. Adding to this MEDMR was able to stock Webber Pond. We will know in 2019 how well this worked.

With optimism in 2016 we may find fish numbers gradually improving. This year will mark the 3rd year that alewife had free access above the southern Rt. 32 bridge for spawning. Three-year-old male alewife are known to run and may join those 4-year-olds spawned in 2012 when MEDMR was able to stock us with almost 1,000 fish. 2017 may be better still.

This spring we should begin an alewife counting program. Data obtained from this, when combined with our annual scale surveys, are used to determine a town harvest management plan. Harvest management is controlled by the Maine Department of Marine Resources.

If you would like to participate in a count this spring, please let me know. See my contact information below. It is fun and essential if future harvesting is of interest. I will also provide a sign-up sheet at the Town Office. I am happy to try to answer any questions.

And like every year, please approve the current management plan. Passing it keeps this resource in Town control.

## Nobleboro/Jefferson Transfer Facility

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. This year our household waste went to PERC in Orrington. The construction and demolition bulky materials are hauled to a landfill in Norridgewock. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazard waste (televisions, computers, fluorescent light bulbs, mercury switches and rechargeable batteries).

You will see the Transfer Station Attendants out helping the customers with their trash and recyclables. They work very hard to keep the facility neat and safe. Our hopes are that they make your trip to the Transfer Station a positive experience. The Town would like to give many thanks to our three employees: Barry Howell, Brandon Achorn and Linwood Rideout for all they do for the Transfer Station.

In 2015, we resurfaced the entrance road to our facility as it was starting to break up. We also did a lot of minor repairs to meet the labor and safety board requirements.

This year we had a major hauler stop bringing in their trash to our facility. This change saved us some money in hauling fees and the price of getting rid of the trash. The towns will see this savings which will be reflected in our budget request for 2016. There is going to be a 6.73% decrease to all five towns.

We increased our recyclables by 80 tons this year. This is very important because it saved the towns close to \$90 per ton. This increase is due to the efforts of the public and our staff in educating what can actually be recycled.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in an effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,  
RICHARD SPEAR  
Transfer Station Agent

## Bremen Library Association

The Bremen Library Association has much to be thankful for as we look back at 2015 and ahead to 2016!

~ We are grateful to the Town of Bremen for its generous support and appreciate being counted among its fiscal priorities.

~ We are thankful for the generosity of our membership in their response to our annual appeal letter and membership drive.

~ We are grateful to the many people who contributed to yet another year of successful annual fund-raising events: the army of faithful volunteers who willingly gave up hours in the spring to prepare potted plants for the plant sale in May; the stalwarts who stood on their feet in the firehouse decorating over 500 wreaths for 6-8 hours a day for nearly two weeks straight in November; the many hands who came together to help make the sale days for both endeavors run smoothly; the board members and community members who willingly gave up their time to plan and oversee the many details that went in to these events; and, of course, the customers who came to the sales and purchased the fruits of our labors!

~ We are grateful to all who purchased raffle tickets this fall for our

*Children visit with a lamb during Story Time.*

snow-blower raffle, which was our first effort at diversifying our fund-raising activities. We also wish to gratefully recognize Phillips Power Products in Damariscotta for allowing us to purchase the snow blower “at cost” as well as their generous donation of free delivery and a full tank of fuel!

~ We are thankful for the many community members who regularly give of their time by opening the library and working at the circulation desk on Monday mornings. This, in turn, allows us to offer extended evening hours on Mondays so that school children and adults who work during the day can have more access to the library’s services.

What was made possible by all of these supportive efforts? We were able to maintain and repair our buildings and grounds, including a major reconfiguring of drainage in front of the library. We were able to provide salary and benefits to our librarian, Sue Trouwborst. We were able to heat and maintain electricity in the library building so that we could provide year-round community access to library services as well as access to varied and interesting Monday night programs, our very active children’s program, monthly book groups, and access to our meeting space for outside use by the Coastal Senior College, the Bremen Patriotic Club, and the Bremen Conservation Commission. And most importantly, what is a library without its books? Through the generous support of many, we were able to add roughly 370 new books, 70 new DVDs, and maintain a variety of magazine subscriptions throughout the year!

The library hours continue to be Monday 10:00-7:00, Wednesday and Friday 10:00-3:00, and Saturday 10:00-12:00. We continue to offer free internet, Wi-Fi, and e-books as well as a wide selection of books, movies, music CDs, and magazines. There are ample opportunities for people to get involved with our library, and we always eagerly welcome new volunteers who wish to join us in supporting this gem in our community!

Respectfully submitted,  
JESSICA KOUBEK, President

## Bremen Historical Society

We got a late start with our summer meetings this year due to the rainy weather. Our June meeting was to be an outdoor event that had to be postponed to July because of very wet weather, but those who came in July agreed it was well worth the wait to see and listen to Jeff Miller. Jeff is a blacksmith and historian who came with his 18<sup>th</sup> century portable forge to demonstrate the art of the blacksmith and speak about their impact on 18<sup>th</sup>

*Blacksmith and historian Jeff Miller demonstrates the art of the blacksmith.*

century life in the colonies. Jeff, once the head blacksmith at Sturbridge Village, provided a wonderful learning experience for all in attendance.

Our next public meeting featured local historian Nelson Webber whose oral and video presentation focused on the porgy, aka pogy, factories in Bremen. The factories employed numerous residents and had a very positive impact on the local economy, but an unpleasant odor was also part of the deal. Nelson also took Bremen history questions on numerous topics unrelated to the porgy business.

This year we prepared and mailed a copy of a new multicolor Bremen Historical Society brochure to every address in Bremen. Thank you to Kamala Grohman and Jeff Cotton for the design, production, and mailing of the brochure. We hope the pictures and narrative may have piqued your interest in Bremen history to the point that you are interested in joining the Society. The brochure includes the information you need for joining. Meetings are announced in *The Lincoln County News*.

Our office/storage area in the Town Center was converted to space to be used by Bremen office staff. Jack Clancy created a new space for the Society directly behind our historical artifacts display in the Town Center meeting room. Everything has now been moved to the new area, but we are still in the process of organizing the room and cataloging all of our items.

On Behalf of the  
Bremen Historical Society,  
STEVE LAURICH, President

*Historical Society meeting attendees.*

## The Patriotic Club

Looking back at the 103rd year of the Patriotic Club, I am delighted to say that 2015 was a very prosperous year.

The Patriotic Club meets once a month to plan programs and fundraisers to promote civic, educational and social services to our community.

Our programs during the year included a potluck salad luncheon. Speaker Calvin Dodge presented a program entitled "What's It?" He identified strange looking antique items and their respective uses.

Ed Polewarczyk from NASA spoke frankly about the trials and tribulations of the Space Shuttle flights, from the 1960s with Neil Armstrong's walk on the moon to the disaster of the Challenger in 1986. (It was not as romantic looking as Sandra Bullock in "Gravity.")

Dave Andrews gave a talk about the South Bristol Steamboat Company in the early 1900s. And Dr. Robert Williams, a very well-spoken historian, led us on the confusing path of the history of the stealing and re-stealing of Vincent Van Gogh's famous painting, "Night Café," from World War II up until the present.

Our biggest fundraisers were the Supper-Auction with the Bremen Firemen (and women) in July and the Harvest Fair at the Town House in October. Both were very well attended by residents and friends from near and far. Of course, I cannot forget to mention all the generous donations given to the Patriotic Club. Thank you. Thank you. Thank you.

We were able to present five scholarships of \$500 each to five high school graduate students of Bremen who are furthering their education. We sent three children from Bremen to summer camps with a scholarship of \$100 each. In addition, we donated \$750 to the Lincoln County Energy Fund and raised \$660 for the Waldoboro Food Bank and \$750 for the support of the Bremen Union Church. We also help support the Bremen Library, the First Responders and the Fire Department.

We are looking forward to another great year to come. We are beginning to organize and plan a new website for the Club, and we are working on adding extra attractions to our fundraisers and programs. So stay tuned.

New members are always welcome. We added three new members this year.

I am proud to be a member of the Patriotic Club for thirteen years.

Respectfully submitted,  
CORDELIA GOTH, President

## Muscongus Community Club

The Muscongus Community Club, located in the only one-room schoolhouse left in Bremen, is finding it difficult to continue with the activities of the past to raise funds for local entities such as the Bremen Fire Department, First Responders, local food banks and scholarships to ALL Bremen graduates furthering their education.

The difficulty arises due to lack of membership. The schoolhouse was given to the Muscongus Community Club in 1947 and has been active in contributing since that time. We also have improved the inside of the building with painting of walls and the addition of a fully-equipped kitchen to serve seventy-plus dinner patrons.

The members have been a steadfast group of ladies (and men) who have worked tirelessly to raise funds through dinners, food sales, lawn/garage sales to provide the Town with a ground-floor, handicap-accessible area to hold weddings, birthday parties, anniversary celebrations, pre-school and family gatherings.

This year proved to be one that makes us step back and ask ourselves "Can we continue to do this without more than the current five or six ladies willing to take on the task of feeding 70+ diners?" This is a tall task for so few members. We were not able to do so.

We are, at this point in time, asking ourselves if we should continue. We would like to see more interest from the Townspeople showing us that we make a difference.

We have made a difference over the years with our yearly charitable contributions and forty-nine scholarships since 1989 to Bremen graduates furthering their education after high school. We would love to see some of these graduates and their families involved with furthering our scholarship program for more Bremen students.

We look forward to hearing from those interested in joining us.

Please contact the following members of the Club:

**SHERRY WOODY**, President  
529-2209

**JUDY MOHR**, Secretary/Treasurer  
529-5649

## Bremen Union Church

It was a busy year in the life of this faithful group of Christians, from mountaintop experiences of outdoor worship, Holy Week worship services, Easter sunrise worship, Pentecost celebration, Youth-led worship, Vacation Bible School, Kirkin' o' the Tartans, Hanging of the Greens, intergenerational Nativity Pageant, and Christmas Eve worship, to the more mundane activities of building and grounds maintenance. Thanks so much to our reliable and valiant snowplow and shoveling crew – it was a snowy year to remember! Those of you with old homes can well imagine the ongoing maintenance of this 186-year-old building made from the timbers of an even older meetinghouse! In anticipation of the need to replace the roof of the sanctuary and steeple, we have begun a “roof fund” to which we encourage all community members to give as they are able. We were glad to welcome several new members this year and to have a number of new faces in worship, both locals and folks from away. It was also a privilege to share in the joy when members Eric & Joan Teele finalized the adoption of daughter, Ireland, who we've watched grow and thrive.

Our Simply Supper free community meal program, sponsored by our Mission & Benevolence Committee, fed nearly 400 people last season, the vast majority of whom were not BUC folks. This season we will offer four free community meals: Jan 19, Feb 16, Mar 15, and Apr 19. The people of the Bremen Union Church have pledged to give a minimum of 12% of

all undesignated income – offerings and fundraising revenue – to missions locally, within the USA, and around the globe. In addition to providing temporary emergency help (food & fuel) to local families, we support the Waldoboro Food Pantry, the Ecumenical Food Pantry Thanksgiving Basket project, Good Shepherd Food Bank, New Hospitality House shelter in Rockland, New Hope for Women, Compassion International Child Sponsorship, Child Survival Project in Bolivia, Mercy Ships project, Society of St. Andrews (a gleaning project throughout the US), HOME in Orland Maine, Missionaries in Malawi, and other efforts. We appreciate the donations received from the Patriotic Club and private donors who supplement our efforts in local help. Bremen residents in need of help with food, wood, bio-bricks or fuel should call the church office phone at 832-1283 and leave a message. Your call will be returned within 48 hours.

Our doors are open to seekers and believers alike; all those whom Christ would welcome are welcome at our table and at worship, Sunday school, Bible study, retreats, and all of our events. We gather together, despite our worldly differences, upbringings, failings, wounds, and sins; we are, indeed, a “motley crew,” and we welcome others to join us in hearing the Good News, accepting Christ as Lord, receiving God’s grace, and living as followers of Jesus.

Look for our newsletters in our “Info” box in front of the church and posted at the Bremen Library, Town Office, and Post Office each month. Special events are posted on our front sign as well as in The Lincoln County News and on our Facebook page. To be added to our email list or mailing list, contact the pastor at [kmmac06@outlook.com](mailto:kmmac06@outlook.com).

Respectfully submitted,  
KATHLEEN M. MACLACHLAN

## **Town House Committee and Bremen Town House Association**

The Town House was used again this year for an annual tag sale, the forever popular Chocolate Sunday, the successful Country Fair, and the traditional and much anticipated Library Wreath Sale. The Historical Society held its monthly meetings at the Town House also. We would love to have the house used by more groups or for weddings, birthdays and other celebrations. There is no charge for residents. We have an application process, so please contact a committee member for more information.

This year the Town continued to attend to the repair and maintenance of the physical structure. The Town House will be annually treated for pest control to ensure that the carpenter ant problem does not reoccur. More outside wood was replaced, and external painting was done. Upstairs, past water damage to the ceiling tiles around the chimney was repaired. The outside lights were also replaced with more period-appropriate fixtures. Next year the fire escape will be repaired. We intend to replace the bathroom fixtures and the outer room fan and overhead light. Other projects are on the agenda.

The Committee is always looking for input regarding the use of the Town House and would appreciate extra help putting on Chocolate Sunday. Please contact a member of the Committee with any suggestions or comments.

Respectively submitted,  
The Bremen Town House  
Committee:

## Central Lincoln County Ambulance

Hello Residents of Bremen:

I would like to take this opportunity to share what our service has been up to in the last year. We are on track for having the busiest year ever. By year's end, we most likely will have responded to over 3,000 calls for help. As of today we are at 2,943. To date we have responded to 74 emergency calls in Bremen and 3 community para-medicine (free non-emergent house calls).

In addition to our regular responding, we have been busy with continuing education and updating our response protocols. With the help of the Miles Lincoln Health, we have implemented a new protocol when responding to a person with stroke like symptoms. We are utilizing our i-Pad tele-medicine program to have a real time face-to-face doctor consult on our way to the emergency room. Once the doctor has evaluated the patient, the determination to report directly to the CAT scan imaging machine is made. If it is in the affirmative, we, the EMS crew and patient, go directly to the testing area on arrival and assist with the diagnostic test. This saves 20 to 40 minutes of precious time in determining the next steps of treatment. Since implementing this we have already seen several positive outcomes from the expedited stroke evaluation protocol.

I am pleased to be able to share that we have just ordered a new ambulance. We are scheduled to take delivery in June of 2016. The new box style ambulance will be replacing a 2002 model year, van ambulance. The vehicle with no equipment has a sale price of \$122,328.00.

Also due in part to the Maine Energy Grant Fund, we were able to replace all of our building light fixtures with new L.E.D. lights. This includes our outside wall and pole lights. Since the changeover we have seen an average decrease in our electricity bill of about \$130.00 per month!

Please contact us if you have any questions, concerns, or would like to visit and check out our service.

Respectfully,  
WARREN S. WALTZ  
Service Chief

## **Office of the Sheriff Lincoln County, Maine**

Sheriff Todd B. Brackett and his staff wish to thank the citizens of Bremen for their support and make the following report for 2015.

The Sheriff's Office responded to 458 calls for service for the Town of Bremen. This number is a slight increase from 2014. The calls include 16 Traffic Accidents, 69 Reports/Investigation of crimes against individuals/property, 194 Property checks, 37 Traffic Assists/Offenses, six 9-1-1 Hang Up Investigations, 17 Business/Residential Alarms and 10 assists to residents. The numbers you see above are only a partial listing of actual services provided in 2015.

The Special Services Division is comprised of the Detective Division, Transport Division and Court Security and Animal Control. This Division is commanded by Lieutenant Michael Murphy. The Detective Division continues its quest to solve major property crimes and crimes committed against children. The Detective Division also supports other law enforcement agencies within the county when requested.

The Animal Control Officer program has really taken shape in 2015. There are currently 11 towns within Lincoln County who contract with the Sheriff's Office for ACO services. We have five part time ACOs who have all attended the mandatory basic ACO training required by the State of Maine. The program has really taken off and showing to be quite successful.

In January of 2015, Detective Robert McFetridge retired from the Sheriff's Office after three decades of serving the people of the State of Maine as a law enforcement officer. We wish Bob and his family well in his retirement years.

On April 4, 2015, Deputy Jared Mitkus was promoted to the rank of Detective to fill a vacancy within that division. Detective Mitkus's experience and investigational craftiness will be a great addition to an already seasoned group of detectives.

The Transport Team works extremely hard on the diversion program, reducing the cost of housing inmates at Two Bridges Regional Jail. The diversion program continues to save the County of Lincoln thousands of dollars in incarceration costs. Deputy James Read continues to excel in managing inmates on diversion contracts, lowering the number of bed days that they would be housed at TBRJ. Programs Deputy Eleanor Grover

retired from full time employment after 19 years with the Lincoln County Sheriff's Office on January 1, 2015. Not to worry, Eleanor will be working on a part time basis doing community projects with Two Bridges inmates throughout Lincoln and Sagadahoc Counties.

The Patrol Division, commanded by Lieutenant Rand Maker, continues on its steady and increasing pace of responding to day to day calls for service. The Sheriff's Office in 2015 received another block of grants from the Maine Department of Public Safety to conduct seatbelt, speed and OUI enforcement details. The details paid for by the grant focus solely on enforcement of those areas which are most commonly reported on day to day complaints. These details do not interfere with the patrol division's day to day calls for service.

In October of 2015, Senior Patrol Sergeant Daniel Sceviour retired after twenty-five years of serving the people of Lincoln County. Dan had the respect of all Sheriff's Office employees and was well respected in the community for which he served. We wish Dan and Susan good times with their two sons in a much warmer climate.

In April of 2015, Caleb Poirier was hired as a full time patrol deputy, filling a vacancy within that division. Caleb had already attended the full time law enforcement academy and after his field training is complete here at the Sheriff's Office, he will be ready to go. We welcome Caleb to the Lincoln County Sheriff's Office family.

Distracted driving continues to be one of the leading causation factors for motor vehicle crashes. Please don't be a statistic, pay attention to your driving. Your life or the life of another person could depend on it.

The Sheriff's Office Administrative Division continues to serve the public's needs regarding civil process issues and questions about reports taken by deputies. Karen, Amy and Penny will be happy to assist in any way they can.

The Civil Division remains steady with civil paperwork service throughout the county. There were 33 civil papers served in Bremen in 2015.

As your Sheriff, it remains a priority to keep the lines of communication open to each citizen I serve. Please do not hesitate to bring your public safety concerns to me directly or to any member of my staff. The Lincoln County Sheriff's Office cares about its reputation, our community and the people we serve.

Respectfully submitted,  
TODD B. BRACKETT, Sheriff

## **United States Senate**

**Washington, DC**

Dear Friends of Bremen:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine

and provide stability to improve our transportation infrastructure. The legislation contains provisions I co-sponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small businesses across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; co-sponsoring a Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; co-sponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of the U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town - and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress, I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at 1-800-432-1599 or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at [www.king.senate.gov/contact](http://www.king.senate.gov/contact).

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,  
ANGUS S. KING, JR.  
United States Senator

## **United States Senate**

**Washington, DC**

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing

funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Bremen and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Constituent Service Center in Augusta at (207) 622-8414 or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2016 be a good year for you, your family, your community, and our state.

Sincerely,  
SUSAN M. COLLINS  
United States Senator

## U.S. House of Representatives

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1<sup>st</sup> District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to [www.pingree.house.gov](http://www.pingree.house.gov).

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended pre-school to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

CHELLIE PINGREE, Member of Congress

## Governor's Report

Dear Citizens of Bremen:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come – and stay – in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

Sincerely,  
PAUL R. LEPAGE, Governor

## State Senator's Report

I hope 2016 finds you and your family doing well. It is an honor to represent you and this community as your State Senator. These are challenging times for so many people in Maine which is why I am pleased to have some good news and information to help you through some of the challenges.

This past year, the Legislature made significant progress in providing direct tax relief to Maine homeowners. We increased the Homestead Property Tax Credit for all Mainers from \$10,000 to \$15,000 starting in April of 2016; and the exemption will increase again to \$20,000 in 2017. We also prevented Municipal Revenue Sharing cuts while increasing funding of K-12 schools by \$80 million. As key influences on municipal revenues, they are critical to avoiding property tax spikes.

Additionally, we implemented meaningful, fair changes to the state's income tax code, which will result in a \$135 million annual tax cut for 579,000 Maine families. This Legislature also eliminated the income tax on pensions for all military families.

I am proud of these accomplishments. I hope you are as well. Moving forward, I will continue to focus on making state government effective in meeting people's needs, with good oversight and accountability, providing property tax relief and tax reform that works for every day Mainers, not just the wealthy. And ensuring that your tax dollars are working to support growth of good paying jobs, fostering economic development, investing in education, lowering home energy costs, protecting our children and our natural resources, and building better infrastructure.

As the Legislature continues its work, please know that I appreciate hearing from you about your concerns, your hopes, and your ideas for how to make our communities and our state better. In addition to the monthly constituent office hours across the district to hear what you want to talk about, and occasional open public meetings, I encourage you to sign up for my legislative email updates to keep you informed about what is happening in the Legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email or call me to sign up.

I am here to listen to your legislative needs and concerns, and to serve as a liaison between you and state government. Feel free to contact me anytime. I appreciate your continued support and look forward to seeing you around the district.

Sincerely,  
CHRIS JOHNSON, State Senator

## State Representative's Report

Dear Bremen Residents,

It is an honor to serve as your State Representative. I intend to work hard to retain your trust and build upon the work I've done in the Legislature over the past three years.

This year the Legislature's agenda will be limited mostly to emergency legislation and bills carried over from 2015. We are scheduled to adjourn by the end of April.

Among the other issues we intend to work on this year are finding ways to bring more jobs to Lincoln County, supporting senior citizens, promoting veterans' issues, finding ways to keep down energy and heating costs, improving schools and containing education costs and responding to Maine's drug addiction crisis.

Just as in previous years, I'll be continuing my work as co-chair of the bipartisan Veterans Caucus and as a member of the Legislature's Marine Resources Committee. As a marine biologist and as someone who represents many coastal communities in Lincoln County, I've been putting a lot of work into finding ways to address the many growing threats to our working waterfront, whether it's rising sea levels, a more acidic ocean or managing fisheries. Thousands of people depend on marine life – directly and indirectly – to make a living, and it's important to be a voice for them in Augusta.

Whether we are dealing with the above issues or any other topic, I stand ready to work with all of my colleagues, regardless of party affiliation, to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is [mick@mickdevin.org](mailto:mick@mickdevin.org) and my phone number is 975-3132. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

Respectfully,  
MICHAEL DEVIN  
State Representative

## Independent Auditors' Report

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Bremen as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Bremen as of December 31, 2015 and 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters***Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Bremen's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

WILLIAM H. BREWER

February 4, 2016  
Bath, Maine

### **Management's Discussion and Analysis Calendar Year Ending December 31, 2015**

As management of the Town of Bremen, Maine we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town of Bremen for the calendar year ending December 31, 2015. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our annual report of the Town of Bremen, Maine.

#### **ADMINISTRATIVE NOTES**

In 2015, the property tax mil rate of .0121 was an increase of .0015 from the 2014 rate of .0106 or .15 per \$1,000.00 of valuation.

One of the major expenses for the Town is the Lincoln County Property Tax which at \$243,661.97 in 2015 is higher than 2014 at \$235,747.70.

Excise Tax Revenue decreased in 2015 generating total income of \$128,371.84.

#### **THE FINANCIAL STATEMENTS**

The financial statements presented herein include all the activities of the Town of Bremen, Maine (the Town) using the integrated approach as prescribed by GASB Statement No. 34.

The Government-wide Financial Statements present the financial picture of the Town from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business activities separately. These statements include all assets of the Town (including infrastructure) as well as all liabilities. Additionally, certain eliminations have occurred as prescribed by the statement in regards to interfund activity, payables, and receivables.

The Fund Financial Statements include statements for each of the categories of activities - governmental, and fiduciary. The governmental activities are prepared using the current financial resources measurement focus and modified accrual basis of accounting. Reconciliation of the Fund Financial Statements to the Government-Wide Financial Statements is provided to explain the difference created by the integrated approach.

#### **REPORTING THE TOWN AS A WHOLE**

The Statement of Net Position (see Exhibit A) and the Statement of Activities (see Exhibit B) report information about the Town as a whole and its activities. These statements include all assets and liabilities of the Town using the accrual basis of accounting, which is similar to the accounting used by most private sector companies. All of the current year's revenue and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes to it. Net position is the difference between assets and liabilities, which is one way to measure the Town's financial health or financial position. Over time, increases and decreases are one indicator of whether its financial health is improving or deteriorating. Other factors to consider are changes to the Town's property tax base and the condition of the Town's infrastructure.

In the Statement of Fund Balance we separate the Town's basic government activities as:

General Government	County Tax Assessment
Health and Welfare	Protection
Highways and Bridges	Unclassified
Education	Recreation
Intergovernmental on Behalf Payments	Contingency

Property taxes, excise taxes, fees, interest income, and State and Federal grants finance the activities. Detail relating to the activities is in Schedule A-2 and A-4.

#### REPORTING THE TOWN'S MOST SIGNIFICANT FUNDS

##### Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds, not the Town as a whole. Management established many funds to help it control and manage money for particular purposes to show that it is meeting legal responsibilities for using certain taxes, grants, or other money.

##### Governmental Funds

All of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end. The government statement provides a detailed short-term view of the Town's general Government-Wide financial statements as explained in the reconciliation statements.

#### THE TOWN AS A WHOLE

##### (Government-Wide Financial Analysis)

As noted earlier, net position may serve over time as a useful indicator of the Town's financial position. In the case of Bremen, assets exceeded liabilities by \$4,111,589.66 at the close of the fiscal year 2015 compared to \$3,853,169.18 at the close of the fiscal year 2014. This shows an increase in net position of \$258,420.48 for the year 2015.

Exhibit A of the audit has a breakdown of the numbers listed below:

	2015	2014
Current and Other Assets	2,324,555.82	2,067,091.21
Capital Assets	1,926,610.53	1,891,120.12
Total Assets	4,251,166.35	3,958,211.33
Current Liabilities	98,276.69	43,736.92
Long-Term Liabilities	41,300.00	61,305.23
Total Liabilities	139,576.69	105,042.15
Net Invested in Capital Assets	1,865,313.03	1,810,314.15
Restricted for:		
Capital Projects	310,664.05	277,262.92
Other Purposes	718,868.80	586,144.62
Unassigned	1,186,025.48	1,149,012.40
Non-Expendable Trust Principal	30,452.30	30,212.30
Trust Fund Purposes	266.00	222.79
Total Net Position	4,111,589.66	3,853,169.18

### Governmental Activities

The cost of all Governmental Activities for 2015 was \$2,030,043.07. Charges for services were \$29,989.65. Operating grants and contributions of \$60,948.99 reduced the cost to the Town. The Town's programs listed below show the net cost (total cost less revenues generated by the activities). The cost shows the financial burden that was placed on the Town's taxpayers by each of the functions with a comparison to 2013 and 2014.

	2013	2014	2015
<u>Primary Government</u>			
Taxes:			
Property Taxes	1,764,419.89	1,762,999.94	2,104,274.03
Homestead Reimbursement	13,856.70	12,450.50	15,546.00
Excise Taxes	132,128.61	133,642.05	128,371.84
Boat Taxes	5,813.20	7,228.15	6,497.28
Pilot Payments	1,000.00	1,000.00	1,000.00
Intergovernmental		45,505.96	16,778.00
Interest Earnings	11,941.58	10,463.86	15,996.40
Total Primary Government	<u>1,929,159.98</u>	<u>1,973,290.46</u>	<u>2,288,463.55</u>

### Conclusion

The selectmen, along with the auditors, feel the Town of Bremen is in a sound financial state. In the future the Selectmen will continue to run the Town as efficiently as possible without causing a burden to the taxpayers and continue to maintain and upgrade infrastructure.

TOWN OF BREMEN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The accounting policies of the Town of Bremen conform to generally accepted accounting principles as applicable to governmental units.

**1. Financial Reporting Entity**

The Town of Bremen was incorporated in 1828. The Town operates under a town meeting form of government.

In evaluating the Town of Bremen as a reporting entity, management has addressed all potential component units. The primary criteria for including a component reporting entity are the exercise of financial accountability by the Town of Bremen's municipal officials.

The Town's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP are used by the Town as discussed below.

In June 1999, the Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. Certain significant changes in the Statement include the following:

1.) Financial statements now include:

- A Management's Discussion and Analysis (MD&A) section providing an analysis of the Town's overall financial position and results of operations.
- Financial statements prepared using full accrual accounting for all of the Town's activities, including infrastructure (roads, bridges, etc.).

2.) A change in the fund financial statements to focus on the major funds.

These and other changes are reflected in the accompanying financial statements (including notes to financial statements). The Town elected to implement the provisions of the Statement in the year ended December 31, 2004.

**2. Basic Financial Statements - Government-Wide Statements**

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's fire protection, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position is reported in three parts - net invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (fire, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (fire, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

### 3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

#### a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

##### 1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

##### 2. Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support town programs. The reporting focus is on net position and changes in net position and is reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

##### 3. Capital Projects:

Capital Projects funds are used to account for financial resources to be used for various projects.

### 4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

5. Financial Statement Amounts

a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

b. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Other Infrastructure	10-50 Years

c. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

d. Expenditures:

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

e. Use of Estimates:

The presentation of financial statements in conformity with generally accepted

accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

f. Fund Balance:

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government.

Assigned fund balances are resources that are constrained by the government's intent to be used for specific purposes, but are neither restricted or committed.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

NOTE B - CASH:

Cash

The Town's cash is categorized to give an indication of the level of risk assumed by the Town at year end. These Categories are defined as follows:

Category #1 - Insured or collateralized with securities held by the Town or by its agent in the Town's name.

Category #2 - Collateralized with securities held by the pledging financial institution's trust department or agent in the Town's name.

Category #3 - Uncollateralized (This includes any bank balance that is collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Town's name.)

At December 31, 2015 cash consisted of:

ACCOUNT TYPE	CARRYING AMOUNT	BANK BALANCE	CATEGORY		
			#1	#2	#3
Interest Bearing Accounts	2,103,192.99	2,081,916.85	2,081,916.85	—	—

NOTE C - ACCOUNTS RECEIVABLE:

Accounts Receivable consists of the following:

State of Maine - Homestead	5,388.00
State of Maine - General Assistance	338.00
State of Maine - Shellfish Fines	50.00
State of Maine - Snowmobiles	86.06
Boston Foundation	5,000.00
Kieve	1,000.00
	<u>11,862.06</u>

NOTE D - PROPERTY, PLANT, AND EQUIPMENT:

The following is a summary of changes in fixed assets at December 31, 2015:

	Balance		Deletions	Balance	
	Jan. 1, 2015	Additions		Dec. 31, 2015	
Land and Improvements	442,328.95	43,468.05		485,797.00	
Buildings	544,556.77	32,148.39		576,705.16	
Equipment	714,957.03	4,391.00		719,348.03	
Infrastructure	1,448,666.86	87,392.74		1,536,059.60	
	<u>3,150,509.61</u>	<u>167,400.18</u>		<u>3,317,909.79</u>	

*continued next page*

Accumulated Depreciation	(1,259,389.49)	(131,909.77)	(1,391,299.26)
Net Property, Plant, and Equipment	1,891,120.12	35,490.41	1,926,610.53

Depreciation expense for the period totaled \$131,909.77. Of that amount, \$12,611.38 was for General Government, \$80,605.78 was for Highways and Bridges, \$37,739.54 was for Protection, and \$953.07 was for Unclassified.

**NOTE E - GENERAL FUND BUDGET:**

The Town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, generally held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the Board of Selectmen and/or the Budget Committee.

**NOTE F - ASSIGNED FOR OTHER PURPOSES:**

Historically, the townspeople vote to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

Education	573,452.03
Health and Welfare	14,310.11
Highways and Bridges	96,039.40
Unclassified	35,067.26
	<u>718,868.80</u>

**NOTE G - EXPENDITURES IN EXCESS OF APPROPRIATIONS:**

During the current year expenditures exceeded appropriations in the following general fund categories:

Function	Appropriation and Revenue	Expenditures	Variance
Abatements	—	3,926.00	(3,926.00)
Homestead	15,546.00	15,546.08	(.08)

Historically, the Town has not appropriated funds for the abatements, but rather funds this expenditure through other unappropriated revenues or the undesignated fund balance. The Homestead reimbursement receipts were lower than anticipated.

**NOTE H - REVENUE RECOGNITION - PROPERTY TAXES:**

The Town's property tax for the current year was levied July 23, 2015 on the assessed value listed as of April 1, 2015 for all taxable real and personal property located in the Town. Taxes were due on October 15, 2015. Interest accrued at 7.00% per annum or part thereof commencing October 16, 2015.

Tax liens are filed against delinquent real estate taxpayers after eight months but within one year of the original tax commitment. If the tax, interest, and costs have not been paid eighteen months after the filing of a lien certificate then the lien is automatically foreclosed.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within sixty days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within sixty days after the year end.

Property taxes are recognized when they become available. Available includes

those taxes expected to be collected within sixty days after year end as stated above.

**NOTE I - RISK MANAGEMENT:**

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

**NOTE J - OVERLAPPING DEBT:**

The Town of Bremen is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County, for which the Town of Bremen would be proportionally responsible in the event the County defaulted, is approximately \$6,190,000.00 at December 31, 2015. The Town of Bremen's share would be 2.67% of the debt, or \$165,134.00.

The Town of Bremen is part of Great Salt Bay Community School District. Long-Term Debt outstanding for the District, for which the Town of Bremen would be proportionally responsible in the event the District defaulted, is approximately \$675,380.00 at December 31, 2015. The Town of Bremen's share would be 13.89% of the debt, or \$93,810.00.

**NOTE K - DEFERRED REVENUE:**

Deferred revenue at December 31, 2015 consists of the following:

Prepaid Property Taxes	30.20
Suspense	<u>1,133.89</u>
	<u>1,164.09</u>

**NOTE L - LONG-TERM DEBT:**

The following is a summary of note transactions of the Town for the year ended December 31, 2015:

	BALANCE 1/1/15	ADDITIONS	REDUCTIONS	BALANCE 12/31/15
The First, N.A.	80,805.97	—	19,508.47	61,297.50

The following is a summary of debt outstanding at December 31, 2015:

The First, N.A.

A note payable is for five years with annual principal and interest payments of \$21,420.00 at an interest rate of 2.35%. The first payment was due April 15, 2014 and annually thereafter.

The annual requirements to amortize notes payable as of December 31, 2015 follows:

Year Ending Dec. 31	Principal	Interest	Total
2016	19,997.50	1,440.50	21,420.00
2017	20,431.02	970.98	21,420.00
2018	20,868.98	551.02	21,420.00
	<u>61,297.50</u>	<u>2,962.50</u>	<u>64,260.00</u>

Interest paid during 2015 was \$1,911.53.

**NOTE M - SUBSEQUENT EVENTS:**

Management has made an evaluation of subsequent events to and including the audit report date, which was the date the financial statements were available to be issued, and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of the financial statements.

## Schedule A-1

**TOWN OF BREMEN**

# Warrant for Annual Town Meeting

TO:JOHN CLANCY, A RESIDENT OF THE TOWN OF BREMEN

GREETINGS:

## **Election of Town Officials:**

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in Town affairs, to assemble at the Bremen Town Center in said Town on Saturday, on the morning of the 26th of March 2016, any time between 8:00 a.m. and 12:00 p.m. to act on the following Warrant Articles to elect Town Officials.

As required by State and Federal voting laws, only voters registered in the Town of Bremen are authorized to vote in Town Elections.

## **To Wit:**

**Article 1** To elect a Moderator to preside at the Annual Town Meeting, the election to be by written ballot at the commencement of the Regular Town Meeting.

**Article 2** To elect the following Town Officials by secret ballot:

One (1) Member to the Board of Selectmen/Assessor/ Overseer of the Poor	Three-year term
One (1) Member to the School Committee	Three-year term
Two (2) Members to the Planning Board	Three-year term
Two (2) Members of the Harbor Committee	Three-year term

## **Town Meeting:**

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to participate and vote in Town affairs, to assemble at the Bremen Town Center in said Town for the Annual Town Meeting on the afternoon of Saturday, the 26th day of March 2016, commencing at 2:00 p.m. to act on the following Warrant Articles:

As required by State and Federal voting laws, only voters registered in the Town of Bremen are authorized to participate and vote in Annual Town Meetings.

Results of the Elections in Article 2 will be announced at said Town Meeting.

**To Wit:**

**Articles 3 through 22: General Administration**

**Article 3** To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioner and/or Project Manager.

**Article 4** To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of nine (9) members, preferably from all parts of the Town.

**Article 5** To see if the Town will vote to authorize the Selectmen to appoint all other Town Officials not elected by ballot at the Annual Town Meeting.

**Article 6** To see if the Town will vote to instruct the Tax Collector to charge and collect interest at a rate not to exceed the State's maximum allowable rate of interest that can be charged per Title 36, M.R.S.A. Section 505.4. The current maximum rate allowed by the State is (7) percent (subject to change).

**Article 7** To see if the Town will vote to authorize the Selectmen to sell any property which the Town owns by virtue of Tax Deed or Liens and to execute and deliver on behalf of the Town, by Quit Claim Deed as may be necessary, the transference of rights, title and interest of said property to the Town.

**Article 8** To see if the Town will vote to authorize the Board of Selectmen to spend an amount not to exceed 3/12ths of the budgeted amount in each Operating Account of the 2016 annual budget during the period from January 1, 2017 through March 31, 2017.

**Article 9** To see if the Town will vote to authorize the Board of Selectmen to accept and expend, as they deem advisable, donations or voluntary contributions for the purpose of carrying out any previously approved or authorized Town project or activity without calling a Special Town Meeting.

**Article 10** To see what sum of money, if any, the Town will vote to raise and appropriate for the Town Officers' Salaries and Benefits:

#### **ARTICLE 34 SUMMARIZES THE PROPOSED SCHOOL BUDGET**

**Article 34** To see what sum the Town will authorize the school committee to expend for the fiscal year beginning July 1, 2016 and ending June 30, 2017 from the Town's contribution to the total cost of funding public education from grade 9 to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, Section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

School Committee Recommends:	\$425,601
Budget Committee & Selectmen Recommend:	\$425,601

## **ARTICLE 35 RAISES FUNDS FOR THE PROPOSED SCHOOL BUDGET**

### **School Budget Funding Explanation**

Article 35 Required Local (EPS) Raise Amount

Additional Local Raise Amount

Total Local Funds Raised

Fund Balance Forward Estimate

State Subsidy Estimate

Total School Budget Request

\*Local Required, Additional, and Subsidy figures are preliminary figures provided by the Maine DOE on \_\_\_\_\_.

**Article 35** To see what sum the Town will appropriate for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (School Committee Recommends \$\_\_\_\_\_) and to see what sum the Town will raise as the Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688.

School Committee Recommends:

*Explanation: The Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.*

**Article 36 (Written ballot required)** To see what sum the Town will raise and appropriate in additional local funds (Recommend \$\_\_\_\_\_) which exceeds the State's Essential Programs and Services allocation model by \$\_\_\_\_\_, as required to fund the budget recommended by the School Committee.

The School Committee recommends \$\_\_\_\_\_ for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by \$\_\_\_\_\_:

Statutorily required amounts for secondary tuition, as well as special education, facilities maintenance, and transportation costs, exceed the State's EPS funding model.

*continued next page*

*Explanation: The additional local funds are those locally raised funds over and above the Town's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-State funded debt service that will help achieve the Town Budget for educational programs.*

### **ARTICLE 37 AUTHORIZES EXPENDITURE OF GRANTS AND OTHER RECEIPTS FOR EDUCATION PURPOSES**

**Article 37** Shall the Bremen School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for education purposes, provided that such grants, programs, or other sources do not require the expenditure of other funds not previously appropriated.

### **ARTICLE 38 AUTHORIZES THE ADULT EDUCATION PROGRAM**

**Article 38** To see if the Town will appropriate \$\_\_\_\_\_ for Adult Education and raise \$\_\_\_\_\_ as the local share, with authorization to expend any additional, incidental, or miscellaneous receipts in the interest and for the well-being of the adult education program:

Requested Local Share:

Budget Committee & Selectmen Recommend:

**Article 39** To see if the Town will vote to authorize the Selectmen to raise and appropriate monies for Animal Control Operations:

<b>Account</b>	<b>2015 Appropriations</b>	<b>2015 Actual</b>	<b>2016 Request</b>
Boothbay Humane Society	\$806	\$806	\$806
Animal Control - Wages	1,300	2,130	3,000
	<u>\$2,106</u>	<u>\$2,936</u>	<u>\$3,806</u>
Selectmen Recommend:			\$3,806
Budget Committee Recommends:			\$3,806

**Article 40** To see what sum the Town will vote to raise and appropriate for the Bremen Conservation Land Use Reserve Fund. The funds will be used for land conservation efforts, property purchases, and easements.

Requested by Bremen Conservation Committee:	\$3,000
Budget Committee Recommends:	\$3,000

**Article 41** To see what sum of money, if any, the Town will vote to raise and appropriate for the Bremen Library:

Requested by Bremen Library:	\$6,000
Budget Committee Recommends:	\$6,000

**Article 42** To see what sum of money, if any, the Town will vote to raise and appropriate for Central Lincoln County Ambulance:

Requested by CLC Ambulance:	\$3,200
Budget Committee Recommends:	\$3,200

**Article 43** To see what sum of money, if any, the Town will vote to recommend, raise, and appropriate for Memorial Day observation expenses:

Selectmen Recommend:	\$300
Budget Committee Recommends:	\$300

**Article 44** To see what sum of money, if any, the Town will vote to raise and appropriate for charitable contributions. Each line to be voted on separately:

<b>Account</b>	<b>2015 Appropriations</b>	<b>2015 Actual</b>	<b>2016 Request</b>
Coastal Transportation	\$500	\$500	\$500
CLC YMCA	1,500	1,500	1,500
Eldercare Network	2,000	2,000	2,000
Healthy Kids	1,500	1,500	1,500
Lifeflight Foundation	1,000	1,000	1,000
Midcoast Community Action	1,025	1,025	1,025
Mobius	300	300	0
New Hope for Women	830	830	830
Pemaquid Watershed Assoc.	500	500	500
Spectrum Generations	830	830	853
Waldoboro Food Pantry	600	600	700
	<hr/> \$10,585	<hr/> \$10,585	<hr/> \$10,408
Budget Committee Recommends:			\$10,408

**Article 45** To see if the Town will vote to NOT operate an alewife fishery in Muscongus Harbor or Muscongus Brook for 2016.

**Article 46** To see if the Town will vote to permit the Treasurer to accept pre-payments on 2016 taxes prior to the October 15 due date.

**Article 47** To see what sum of money, if any, the Town will vote to raise and appropriate for replacement of Town Center front deck, handicap ramp, stairs, and waterproofing of south wall.

Selectmen Recommend:	\$22,000
Budget Committee Recommends:	\$22,000

**Article 48** By Petition, shall an Amendment to the Bremen Shoreland Zoning Ordinance, to change a 140-foot portion of Map 4, Lot 38 from Resource Protection to Shoreland Residential, be enacted?

Respectfully submitted by  
The Bremen Board of Selectmen:  
WENDY PIEH, Chairperson  
JOHN MARSH  
HENRY NEVINS

A True Copy  
Attest: KELLY A. CLANCY  
Bremen Town Clerk

## Municipal Office Notes

This year's Spirit of America Award was given to the Bremen Fire Department/First Responders. Larry Smith, firefighter/EMT, accepted the award for the Fire Department.

As voted on at Town Meeting each year, the Town permits the Treasurer to accept prepayments on the annual real estate taxes prior to the October 15 due date.

During the Town's recent property revaluation, improvements to properties without permits were found. Therefore, the Bremen Selectmen would like to remind any landowner or person occupying land in Bremen who plans to construct, reconstruct, alter, relocate, replace or expand any structure, or move earth or clear land to first consult the appropriate Town Ordinances as well as the Code Enforcement Officer and, if necessary, the Planning Board before beginning such activity. These consultations are recommended for all properties; they are especially important if the land in question is in the more restrictive districts of the Shoreland Zone, as defined by the Town's official zoning map.

The zoning map and the Town's Ordinances can be found on the Town's web site ([Bremenmaine.org](http://Bremenmaine.org)) and at the Town Office. There you will also find instructions for contacting the Code Enforcement Officer and the Planning Board.

If you need a registration renewal reminder, please visit the Maine Bureau of Motor Vehicles website and leave your e-mail address (<http://www.maine.gov/online/bmv/rapid-renewal>). They will e-mail you one month prior to your registration expiration date.

Please remember to register your dog(s). Registrations for the next year are available after October 15. They are due December 31st. After January 31, you will be charged a late fee of \$25.00 (Maine State Law).

Please remember it is illegal under Maine State Law (29A MRSA 2396) to push snow or slush into public roads. The law provides for penalties to violators. It is against the law and also very dangerous. Your cooperation in ending this practice will be appreciated.

If you see a street light in Town that is not working, please call the Town Office with the location and pole number. The Town pays for the street lights whether they are in working order or not. This is also a safety issue.

## We can't help you

### IF WE CAN'T FIND YOU!

**Bremen Volunteer Fire Department and Bremen First Responders** are offering all Bremen residents reflective address markers **free** of charge. They are 6 x 18 inch metal plates with 4 inch reflective numbers. We will install them for you. All you need to do is ask one of us, contact the Town Office or e-mail us at [firedept@tidewater.net](mailto:firedept@tidewater.net).

We strongly urge everyone to take advantage of this offer which is possible only because of your generosity in our recent fund raising drive. Too many homes in our Town have no markers or are inadequately marked, particularly at night.

Please help us to help you by contacting us as soon as possible.
